IF YOU'VE NEVER EXPERIENCED GREYHOUND RACING BEFORE

THEN IT'S TIME YOU WERE UP TO SPEED!

Nothing beats the excitement when you place your bet; the rush of adrenalin as you see your dog sprinting from the starting blocks or the sheer exhilaration of watching your dog race across the finish line.

Nothing except the thrill of seeing the money racing in for our charity!

That's why we believe, by choosing Drumbo Park for our fundraising night, we're on track for raising lots of money.

There's more to the dogs than just the dogs! Cast your eye over the tantalising menu and extensive wine list at Drumbo Park's fantastic à la carte grandstand restaurant. Your taste buds will be excited too!

Located upstairs at Drumbo Park, this luxurious restaurant provides panoramic views of the race track, offers mouth-watering cuisine with friendly waiter service. With your dedicated tote assistant, you can digest all the action without leaving the comfort of your seat!
