

125 celebration dinner

Tullyglass Hotel, Saturday
28th November

This event will round off Antrim GAAs celebration of 125 years of the Association. We will recognize and honour the achievements of the historic 1989 Antrim hurling team and the U21 footballers from 1969. Both panels will be in attendance. The evening will include top quality entertainment, special guest speakers and a 7 course meal.

Round off a memorable year for the GAA in Antrim by celebrating the long history of our Association – and by looking forward to more success in the near future, in all codes and at all levels.

The dinner costs £750 per table of ten, proceeds from this event will support the provision and the development of the GAA throughout Antrim.

To register your interest or reserve a table for yourself, your club or your business, contact Casement administration office
